

# Sister's Spin

January 12, 2021

Ordinary Time--The Church tells us that we are now in Ordinary Time. Some may think the times will never be ordinary again. But one thing needs to be remembered--this is God's Time and God's Time is not our time. God is still in charge and His Faithfulness is without end.

May each day of this liturgical season of Ordinary Time find us faithful to our ALL FAITHFUL GOD.
