

Sister's Spin

January 22, 2021

"It's A Wonderful Life" is a Christmas classic movie enjoyed by many every year. It serves to remind us of the difference one person's life can make on others. Today, and this weekend, as we are asked to pray for the protection of all the unborn and for a greater respect of the dignity of life for all, it may be good to think about the difference each one of us has made in the life of others in this world. What would the world have been like if you had not been born? Pondering this question will hopefully lead us all to thank God for the gift of life we have received and the many blessings and graces we have experienced. Let us give thanks to the Lord, our God!
