

# Sister's Spin

March 12, 2021

**REJOICE!** This is the call of the Church on the Fourth Sunday of Lent. Why rejoice? Is this not a penitential season? Are we to rejoice because Lent is half over? Why rejoice? The answer is simple--we rejoice because our salvation is near. While the days of recalling Christ's suffering are soon to come, so also are the days of the Resurrection, and this Sunday serves as a reminder that Lent prepares us for the glory of Easter. Every Sunday is a reminder of the resurrection and this Sunday, perhaps a glimpse of the glory to come. So, **REJOICE**--do something special to spread the joy to others around you. **Happy Sunday!**
