

Sister's Spin

March 17, 2021

Are you wearing a shamrock today? If so, are you thinking about how Patrick used it to explain one of the basic mysteries of our Faith--the mystery of the Trinity? If you see that shamrock on someone today, let it be a reminder of the Blessed Trinity--the community of Persons built on love. And, if you are wearing green today--the color of hope--let it remind you that your destiny is to be united with the Trinity one day.

Happy St. Patrick's Day!
