March 19, 2021

HAPPY FEAST DAY on this, the solemnity of St. Joseph. On December 8, 2020, Pope Francis declared this year-- December 8, 2020-December 8, 2021-- dedicated to Joseph. In his Apostolic Letter, ***Patris Corde***, he gives a picture that to me was new--Joseph, holding the hand of the Child Jesus as He learns to walk. What a comforting image of this quiet, holy man. Foremost, Joseph took on the role of a father, though if you read the Apostolic Letter, you will learn of his other tasks and the roles he took on during his life. Today, on his feast, let us "Go to Joseph" with our needs and pray that he will watch over us as he did over the Christ Child and his Mother.
