

Sister's Spin

April 2, 2021

The Supper is over, the traitor is exposed, and the arrest has been made. We come to the day the world calls "**Good**". But Good for whom? Certainly for us, for our salvation was won this day through the death of Jesus Christ. But also good for Jesus, for this was the end of His suffering, His life in a human body like ours. On this Good Friday, it is good to give thanks to God for the **YES** said by Jesus to all the Father asked of Him. Let us then give thanks to the Lord, our God!
