

Sister's Spin

April 8, 2021

In this Easter Season, one may not think about the sacrament of Reconciliation. After all, that was stressed a lot during Lent. But it is important to remember that this sacrament was given to us on Easter itself. In His appearance to the Apostles in the Gospel of John, Jesus says, "...Whose sins you forgive are forgiven and whose sins you retain are retained..." This wonderful gift was given to us on that glorious morning when all were filled with joy at the Lord's Resurrection. It is a sacrament of joy and mercy and one more thing to be thankful for as we move through this Easter Season.
