

# Sister's Spin

September 2, 2020

The theme for this year's Season of Creation is Jubilee for the Earth. To really understand this theme, one needs to go back to the Old Testament, specifically to the Book of Leviticus, Chapter 25. In this chapter God explains to Moses how the people should set aside certain years to care for the earth and for all those with whom they come into contact. It is a good reminder to all of us of our role as stewards of the earth, and can assist us in thinking of what we, as individuals, can do to care for our little plot on this earth. A good video on this theme can be found at Season of Creation EN 2020. It was made by our Sisters and can be found on YouTube. It is really beautiful (my pride in SSND is showing), but I hope it inspires you...
