

Sister's Spin

September 28, 2020

As September ends and October begins, there are many beautiful feasts to celebrate. Today the Church celebrates Wenceslaus, a devout leader of Bohemia (current day Czechoslovakia) who was murdered by his brother for working to bring Christianity to his country. He is the subject of the Christmas Song, "Good King Wenceslaus" though he was not really a king. It would be good to pray today for world leaders and especially those in our own country as we prepare for elections. And maybe sing the Christmas Song, **Good King Wenceslaus**, just for fun!
