

Sister's Spin

September 29, 2020

Warrior, Messenger, Healer-those are the roles of the Three Archangels we celebrate today--Michael, Gabriel, and Raphael. These heavenly beings serve to remind us that it is also our role to be warrior, messenger, and healer for God. When one works for justice and fairness in our world, one is God's warrior. When delivering God's message by the way one lives, speaks and acts towards others, one is God's messenger. When one gives another a smile or a kind word, one may be healing a sorrow or sharing a joy with another. As you live this day, think about how you can fulfill your role as a warrior, messenger and healer in today's world.
