

Sister's Spin

October 8, 2020

October is one busy month. It is known as Respect Life Month, Breast Cancer Month, Fair Trade Month, Our Lady's Month, especially under the title of Our Lady of the Rosary, and I am not sure how many more other causes. Each cause is very important and gives us pause to think about what it is one may want to support. Prayer helps to make such decisions and in this month of prayer, our Lady is there to listen and take one's needs to her Son. Over this long weekend, it is hoped that one can find a few extra minutes to spend some time in prayer--in thanksgiving, in petition for various needs ,or just in contemplation of God's goodness .
