

# Sister's Spin

October 13, 2020

On **October 13, 1917**, Our Blessed Mother appeared for the last time to the three children of Fatima and fulfilled her promise of a miracle so people would believe. This is now known as the **Miracle of the Sun**. Even the newspapers of the time recorded this phenomenal event. Today, 120 years later, the message of Fatima is still the same: pray the rosary for the conversion of the world. In our own time, this is still a very powerful message and prayer. As you experience the sun today, let it be a reminder of this miracle and the need to continue to ask Mary's intercession for our needs in today's world.
