**"This is the day the Lord has made, let us rejoice in it and be glad."** Psalm 118

We may all have our own reasons for rejoicing on this day, but it is good to remember the first part of this psalm phrase--**this is the day the Lord has made. Whatever** happens this day is part of God's Will. If you rejoice because your candidates won, thank God and do all you can to improve this country and the world. If you are upset because your candidates lost, thank God and do all you can to improve this nation and the world. Either way, remember God is still in charge and turn to God in faith and trust.
