

Sister's Spin

November 19, 2020

November 21st celebrates a feast day of Mary called The Presentation of Mary in the Temple. This feast is a very old one in the church, especially in the Church of the East. It is based mainly on legend from the apocryphal Gospel of James. It is said that Joachim and Anna took Mary to the Temple at the age of three and dedicated her to God. What the feast reminds us of is that Mary was totally tuned in to God from her earliest days. God had chosen her and she worked with the graces given her that prepared her to say YES to God's desire for her to be the Mother of His Son. Let us ask her to intercede for us that we also may be more attuned to what God is asking of us.
