## Dress Code

Dressing for school reflects a positive image of our uniqueness and lends dignity to our most important task at school, teaching and learning. It also allows us to recognize the demands of society regarding professional dress and makes a distinction between work and recreational activities. Modesty is always expected. The responsibility of dressing within the Newman dress code is that of the parents and the students. The dress code is in effect from the first bell until school is dismissed.

You may find the entire dress code listed on pages 22-24 of the Student Handbook found on our website.
