Grandparents' Day

Newman High School welcomes all grandparents to Grandparents Day. Thank you for everything you do for our families and our school and for traveling near and far to be with us today. This week is homecoming and the theme for today is "patriotic." At this time we would like to honor all military veterans. Please stand and be recognized, thank you for your service.

Congrats Lady Comets

Congratulations to the Fresh/Soph, JV and Varsity Volleyball teams on their wins over Bureau Valley last night!

Mental Health Awareness Week

October 6-12 is Mental Health Awareness week. As part of NAMI's Outreach to students we have placed compliments on each of the students' lockers. Along with the post-it notes, we also have fliers with instructions to pass your note onto a friend. We know that giving and receiving a compliment sends endorphins to our brain to make us feel happier. Join us in spreading happiness during Mental Illness Awareness Week.

WACC Students

The WACC Students are excused from WACC on Thursday, October 10th for Grandparents' Day and the Homecoming Parade and on Friday, October 11th for Teacher Institute. There is no WACC on Monday, October 14th, Columbus Day.

Comet Connections

Comet Connections is back! This is a way for each staff member to connect with small groups of students at Newman. Every staff member including custodial staff, teachers and administrators, will connect with their students several times during the school year. The purpose of our groups helps establish relationships and assist students in anyway that we can and also helps break down barriers of perceptions of staff members. It is about meeting new people and learning about each other. As human beings, we all need to feel a sense of belonging and connection to something or someone; this is one way we are trying to address this with all our students.

Students: Please check your school email to find out who your Comet Connections will be this year
