Sister's Spin

Like the seasons of creation in our world, so the seasons of the Church Year also change. As autumn brings a change from greens to golds and reds, so the Church will soon change Her colors from the green of Ordinary Time to the white and gold of great feasts like All Saints Day and Christ the King, as well as a little red for the great martyrs, and eventually, the purple of a new year with Advent. All these days and their colors are God's way of reminding us of how great is His love for each of us. Enjoy your weekend!
