Dear Parents/Guardians, students and staff:

I look on my calendar and see things I was supposed to attend but have since been canceled or changed. It is hard to plan when you have no idea when or what to plan for. What we can plan for is taking a nice walk on these beautiful days and saying a little prayer. Be thankful for the precious gifts God has given you. Keep your heads up! I am proud of all of your hard work and effort.

A special “shout out” to the seniors - thank you for the flowers you delivered for teacher appreciation. Nice of you to think of your teachers and staff!

God Bless,
