Welcome to the Annual Newman Golf Outing

Thank you for participating in today's fundraising event. All proceeds are solely used for Newman's Tuition Assistance Program. During these unprecedented times, many families are struggling and the assistance provided from the golf outing has helped ease that burden. For the 2020-2021 school year, Newman provided over \$40,000 in tuition assistance to 24 students. All this support came from the Annual Newman Golf Open.

I would like to take this opportunity to thank the committee members for their countless hours and devotion to this important event. Your support of Newman students and a Catholic Education does not go unnoticed.

Thank you, Mr. Mike Sprague, Dr. David Yeager, Mr. Jim Olson and Mr. Tim Nelson!

Enjoy your day and God Bless!
