

Math Team News

In Jesus' name we pray, teach, learn and serve.

WAY TO GO MATHLETES!

Math Team

Last week, Math Team competed remotely against schools in the regional ICTM math competition.

Our Precalculus team placed **1st** in the region.

The Junior/Senior 8 person team tied for **2nd**.

Algebra, Geometry and Calculator teams placed **2nd**.

Fresh-Soph 8 person team placed **3rd**.

Algebra II team placed **5th**.

Overall, the Newman Central Catholic Math Team, *for the second year in a row*, **placed 1st in our region**, beating out Harvest Christian Academy by a single point! Achieved **19th** place out of 59 in the state.

Congratulations, Math Team on a job well done!

Let's also celebrate the following individual results!

Algebra I

Logan Devine Regional 3rd place! Logan will receive an award for his performance. He ended up 19th in the State as well!

Maria Ardis finished 5th in the region.

Logan Palmer finished 7th in the region.

Espen Hammes finished 11th in the region.

Jedh Valida finished 14th in the region.

Geometry

Ainsley Reed Regional 1st place! She will receive an award for her performance and she

finished 15th in the state competition.

Sam Neisewander, Michael Murray, and Carson Palmer tied for 10th place in the region!

Claire Crisham placed 13th in the region.

Algebra 2

Griffin Moran placed 8th in the region.

Precalc

Bella Trancoso, Nate Neubauer, and Adrian Ackert tied for 1st place in the region! Each of them will receive awards for their performances.

Shih-Wei (William) Cheng placed 5th in the region.

Marvel Zhang placed 8th in the region.

Way to go Mathletes!
