2013 CLASS 2A STATE FOOTBALL CHAMPIONS!

CHRIST OUR CORNER STONE

NEWMAN CENTRAL CATHOLIC HIGH SCHOOL

LETTER FROM THE
PRINCIPAL

Dear Newman Community:

As we begin the school year it is always good to reflect on what we have accomplished over the last year to evaluate and create new goals for this year. Reflecting on the students' accomplishments from last year there is plenty to be proud of. Winning the IHSA State Football Championship for the fifth time is an achievement in itself, but at the same time to have our Scholastic Bowl Team win the Masonic State Championship and finish third in the IHSA State Championship shows the balance of the high expectations we have for both our athletics and academics here at Newman Central Catholic High School. Ann Propheter and Mike Papoccia each did an extraordinary job working with our young students in these achievements. *Our goal this year is to maintain these high expectations for our students.*

Academically, we averaged an ACT of 22.8 this last year. This was the third highest score in the last 25 years. This is a testament to our dedicated teaching staff. Their hard work both in and out of the classroom has helped our students achieve these scores. *Our goal this year is to continue to improve on our ACT scores and achieve a 23 or higher on our ACT composite.*

Our goal is to raise \$2.6 million to finish the 2007 Newman Strategic Plan.

Our Catholic Identity is an important part of Newman. Bishop Malloy met with all the Rockford Diocesan high schools, and the outcome from that meeting was to implement a Catholic Identity Committee at each of the high schools. *Our goals for Catholic Identity Committee are to discuss student mass attendance, how concepts related to Theology of the Body are currently being integrated into religion classes or could be integrated, and how Newman's curriculum addresses the topic of marriage and family.*

This year we were able to complete many facility updates here at the school. I would encourage all alumni to please stop and visit Newman personally to see how wonderful the building looks. There is still plenty of work ahead of us, but knowing the commitment from all the Newman stakeholders, I believe together we can achieve anything. *Our goal is to raise \$2.6 million to finish the 2007 Strategic Plan.*

We thank you for all the support you have given to Newman. All of these accomplishments could not of happen without you!

God Bless,
Andy Edmondson
