Newman Family and Friends,

It is my great pleasure to welcome you to the Newman Central Catholic High School Athletic program! We are very fortunate to have dedicated and decorated coaches leading our student-athletes as well as a strong network of support from our community, staff, alumni, and parents.

Over the years, Newman students have always strived for excellence in academics, athletics and faith. On the path to our success, we are humbled and grateful for our gifts and talents. It brings great Comet Pride to have the opportunity to share these gifts and talents with the Newman community and family. Athletics teach many valuable lifelong lessons and require a high level of dedication, responsibility, and diligence. I hope that all participants have a positive and rewarding interscholastic experience.

I would like to remind you all of the need to promote and observe the important values of sportsmanlike behavior as exhibited both on the playing field and in the stands. Thank you for attending and supporting this Newman Central Catholic High School event.

Blessings,

Jennifer Oetting

Friends of Newman,

The Athletic Department of Newman Central Catholic High School would like to welcome and thank all of our fans, coaches and parents who help make Newman athletics possible. It is truly through your hard work and dedication that you make our athletics a reality.

As we strive to enhance our students' lives with spiritual, emotional and physical development through athletics, we recognize the valuable lessons taught. The discipline, dedication, teamwork and sportsmanship our student-athletes experience will remain with them forever.

Newman is very proud of its accomplishments, but also looks forward to its future as we work to make all aspects of our school community even better. Our efforts toward church, school and family are very important to all of us. We strive to be as Christ-like as possible in our daily lives and to truly live HIS life.

I would like to thank all of our advertisers and patrons who make this program possible, and I encourage you to support their businesses. Let's exhibit good sportsmanship at all times as we enjoy our athletic events.

Yours in sports,

Mike Papoccia
