

Newman Football 2021 Staff Honorary Captain

As we continue the 2021 fall football season, the Newman Comets Football Team is proud to announce this week's Staff Captain of the Week. This individual will be able to join the team on the bus ride to the stadium, walk out to midfield with the

captains for the coin toss, and stay on the sideline for the remainder of the game. This person teaches us the true meaning of why we come to Newman. You can see her on A days teaching the seniors about our faith and true catholic identity.

She has sent all her kids through Newman and one still currently attending because of the family like environment. She loves being around all the kids, always has a smile on her face and a positive attitude, even with her more talkative classes. Please congratulate this week's Honorary Captain of the week, Mrs. Jane Jungerman.
