

Newman Football 2021 Staff Honorary Captain

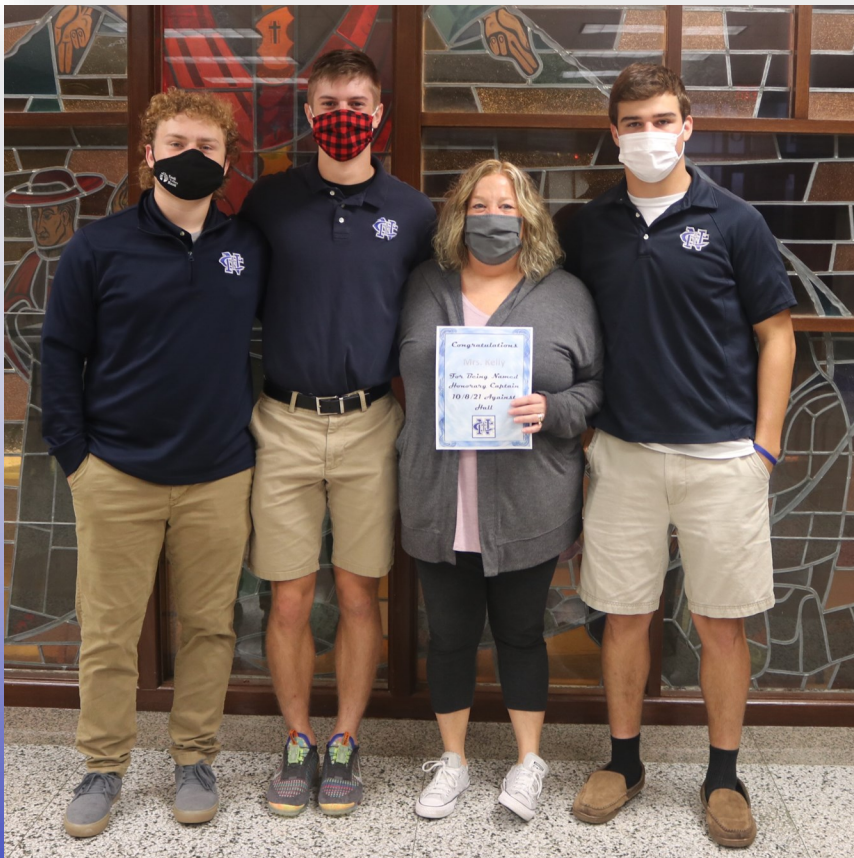

As we continue the 2021 Fall football season, the Newman Comets Football Team is proud to announce this week's Staff Captain of the Week.

This woman can be seen in the guidance office and on the volleyball court. She helps the young women

and men at Newman schedule their classes, prepare for standardized testing and get excited about life after high school. This special lady has coached countless Newman volleyball athletes and continues to do so as Varsity Volleyball Coach.

You will see her smiling face in the

morning holding the door open for students, unless the weather keeps her greetings inside. Not only are she and her husband Newman graduates, she has one child that has also graduated from Newman and two children currently attending. If you ever have any questions, feel free to stop by her office where she is always willing to lend you a helping hand. Please congratulate our week 7 honorary captain of the week, Mrs. Debbi Kelly!
