

Newman Football 2021 Staff Honorary Captain

As we continue the 2021 fall football season, the Blue Machine is proud to announce Saturday's staff Captain of the Week. This individual will be able to join the team on the bus ride to the stadium, walk out to midfield with the captains for the coin toss, and stay on the sideline for the remainder of the game. This amazing woman is known for teaching Newman students about Math, Theology, and Engineering Design. You will see her leading our upperclassman through Kairos this winter. As if that doesn't keep her busy enough, she also has her hands full at home taking

care of her wonderful family. This faculty member has six children; two Newman grads, two currently at Newman, and two attending St. Mary's in Dixon. Her love of God and her love of math is what has kept her at Newman for almost ten years. Although math may not be your favorite subject, her enthusiasm will inspire you to try your best. The Newman community is blessed to have her faith, commitment, and patience in our everyday lives. Please congratulate our week three honorary captain of the week, Mrs. Missy Rhodes.
