

Sister's Spin

September 1, 2021

Today, September 1st, begins the 2021 Season of Creation. The Theme for this year is "**A Home for All? Renewing the Oikos of God**". Oikos is a Greek word suggesting home or Earth Community. As this Season begins, there are many homes on this earth that are being destroyed, even as this "Spin" is being written. The Floods, fires, and pollution are just some of the many ways that the creation of God is being destroyed. Why, you may say, doesn't God do something? Well, God is doing something--God is calling upon us to decide what each of us can do to provide a safe home for all on the Earth Community we share. On this first day of the Season of Creation, maybe it would be good to just sit quietly in the shade of a tree or before the beauty of a flower and pray about what one person--yourself--can do to renew the face of the earth.

May your day be beautiful!

Blessings,
Sister Marcianne
