

Sister's Spin

January 25, 2022

Today is the feast of the Conversion of St. Paul, the end of the week of prayer for Church Unity. Paul's conversion was instrumental in expanding the scope of the early Church. He led the Gentiles to belief in Christ by his preaching in the many cities in the Mediterranean Area and Rome. It makes one think where we would be if Paul had decided NOT to be a follower of Jesus, As a cradle Catholic, I have not experienced a conversion such as St. Paul had and I sometimes wonder (in awe) at those who join the Church, receiving and accepting that gift of Faith. There are other conversions in my life, but none as great as that experienced by St. Paul. Yet, every day calls me to some type of conversion--maybe in an opinion I hold, a need to understand others and their actions, or what God is asking of me this day. St. Paul, help me to be as open to the call of the Lord as you were on that road to Dama.
