

# Sister's Spin

April 17, 2022

The tomb is empty, the angels gone, the soldiers bribed, but the joy lives on! The joy of Mary, His Mother, knowing He is alive; the joy of the Apostles who have seen Him, touched Him, and even fed Him some fish; the joy of Mary Magdalene, busy spreading the word--the good news! And, our joy--that our salvation has been won. Christ is risen--Christ is truly risen! Alleluia! Happy Easter--Keep spreading the joy!
