

Sister's Spin

June 2, 2022

The month of May began with the feast of St. Joseph and ended with the feast of our Lady's visit to Elizabeth as she prepared to give birth to her baby, named John. In between in that month was the feast of Our Lady of Fatima as well as other special feast days of saints. The month also brought its share of the joys of Easter and the Ascension of our Lord to his royal throne. It also brought its share of tragedies, too, but through all these days, the words of Mary at Fatima resound in my heart. Mary told us we must pray and we know from history that prayer does work. Mary's words to the children remind us that prayer will bring about goodness and that God does listen and answer, not always on our timeline, but on God's timeline. As the month of June begins, it is good to review one's prayer life and continue to ask God for the peace we need and that God is ready to give. May the Spirit of God, whose feast is celebrated on Pentecost, gift us with renewed strength and zeal, that all may live their faith more fully, trusting in God's love and mercy. Blessing on your summer days!
