

Sister's Spin

October 27, 2021

The days of Ordinary Time in the Church Year are coming to a close. There are only four more weeks of this sacred season in our Church Year. Soon one may be wishing others Happy New Year, not on January 1st, but on November 28th, the start of the new Church Year, the First Sunday of Advent. As the Church Year closes, it is good to remember that Ordinary Time refers to counted time and consists of about 34 weeks of the Church Year. It is a time we celebrate many saints, some special feast days, and many simple days on the Church Calendar. Think of all the ordinary things one does each day--rising, working, shopping, etc. Then, remember that God is watching over you as you participate in these ordinary tasks. That's a comforting thought, especially if one's concept of God is that of a loving Father, and not just someone waiting to catch one if one is not always on one's best behavior. The God of Ordinary Time is a very loving God who is there to bless each day of this time. May your last weeks of this Ordinary Time be peaceful.
