

Sister's Spin

November 8, 2021

November is noted for many special occasions--Veterans Day and Thanksgiving, of course, but did you know it is also noted as Black Catholic History Month? Neither did I! So here is a little information about our Church and its association with members of the black community. Actually it goes way back to the Acts of the Apostles and that Eunuch that Phillip the Deacon converted and baptized. He was the first non-Jewish convert and returned to his home in Ethiopia to spread the Good News. There have been African Popes as well as many African saints, including Martin de Porres celebrated earlier this month. There are currently 6 African Americans up for sainthood in our Church. If you want to find out more about them, just type in Black Catholic History Month and learn something new today. Let us pray for one another and the beauty and culturality of our Church.
